

MM Good News

"One breed, one passion"

July 2004

2004 Foals

Bill Kambic's three grey mares have all delivered their babies: 2 fillies and one colt. Pictured on the right are Caramel do Lucero and Bittersweet do Lucero, the two fillies.

Bill reports that Lois March, Marchwind Farm will take Caramel and Bill plans to keep Bittersweet to replace Formosa as a broodmare. The colt will be offered for sale.

Bill must be happy with this year's crop because he is using Marchwind's Estanho again this

year in breeding his mares.

Pat Snyder, Tesouro Marchador Horses, had this little buckskin filly in early July. She will most likely be picada like her mom. Pat is scouting out partners for the mare already for next year.

Advertising

There were several efforts that we know of during July - some for publications later in the year.

The USMMA and several breeders advertised in Conquistador magazine (see the ad on-line under news). John and Lynn Kelley, Summerwind Marchadors also placed an ad there. This effort came about through the work and urging of Bill Kambic.

Susan Neumann, Cascade Marchadores put in the cover page in the All-Breed Stallion directory. Summerwind Marchadors and the USMMA also did a page there. Several other breeders took out a listing.

The USMMA issued a press release to many magazines: The Gaited Horse, Conquistador, Horse Illustrated, Trail Rider, Equus, Bridle and Bit etc. about the new organization. If they pick it up as a NEWS item, it is "free" advertising.

Show Schedule for 2005

The USMMA would like to publish a show and event calendar for 2005. Let us know what shows or events you plan on attending or would like to attend in 2005.

Jake and Theresa, Rancho de los Cielos have submitted the Equine Affaire in Pomona, CA. This show is February 3-6, 2005. The show is very close to their ranch which could help with logistics.

If you are interested in supporting the show efforts we are doing as a group, we could sure use help! In Pomona, for example, we would need to man a booth, be with the presentation horse stall and perform if we choose to do a demonstration of the breed.

For show handouts, we still have some Horse Illustrated magazines, The All Breed stallion directory later this year (free). Any of the ads we have run can be reproduced as well.
