USMMA MEETING and BUSINESS

Our next meeting will be in October. The agenda and place are posted on the website. We encourage members to attend.

DNA/REGISTRATION

To register a horse or a foal, you must first contact our registrar, Pat Snyder.

Pat will send you a DNA "kit" with instructions on how to pull hair to send to UC Davis. She will also let you know if we need additional information on the horse to complete the USMMA database record. The cost is \$35 per horse, cheaper than going to UC Davis directly.

Once the DNA report is obtained from UC Davis, the registration paper will be mailed out.

It only takes a few minutes and it's worth it. Please call Pat today and get started!

ABCCMM/USMMA MEETING:

Lynn Kelley will meet with Eduardo Simoes while in Brazil. Conversation will include: Frozen semen/Frozen embryo importation, the next inspection visit, training U.S. vets as inspectors and judges.
