

HAPPY HOLIDAYS!

P R E S I D E N T ' S M E S S A G E

The next article in the series, THE IMPORTERS will be included with my January message to Members. The first 2, MM Horse Farms and Lazy T Ranch are on the association website. You can get to them by following this link http://usmarchador.com/usmma_newsletter.aspx

The 2011 Calendar is ready. Great job Lori, Tresa and Eliza! You still have time to order copies for Christmas gifts. Send Eliza an email with your order. eliza@montana.com

It has been great to see so many members use our Facebook site to share info and pictures about their Marchadors. Check it out! <http://www.facebook.com/pages/United-States-Mangalarga-Marchador-Association/171153175291>

As our new website is finalized I thought it might be fun to add pictures of each member with their Marchador as part of our membership information. Putting faces to names is always helpful. I always enjoy learning more about Marchadors that I haven't seen in person. It gives you a real sense of how we are growing as an organization as well as the diversity of Marchadors in North America. Send pictures to info@usmarchador.com

To give you some sense of how Marchadors are gaining in popularity: we have registered MM'S in 25 states and 3 Canadian Provinces with over 80 members. Just this year we had 16 new or prospective members! We plan for continued success in the New Year!
