“Expect to be impressed”

Offering strong genetics-based breeding services with our stallions and “Future Foals do Summerwind” with our mares. Imported and frozen semen from a dozen stallions offered; cooled semen from one. We breed and raise every Future foal do Summerwind as if it was our own — they will always be part of our family. Temperament is our foundation, but we select for more. Summerwind horses have breathtaking beauty, strong conformation, fantastic movement and outstanding temperaments. All Summerwind foals are eligible for dual registration in the US and Brazil. .

Daniel Daniel@marchadorstallions.com

Rancho Linda Marchadores introduced the Mangalarga Marchador breed to California with a single stallion in 2001. Foundation sire Batuque de Miami is first-generation bred and born in America from imported parents in 1995. We select the finest historical and modern bloodlines to produce exquisite naturally gaited horses. We offer quality horses for sale, full reproduction and breeding services, stallion management, ABCCMM inspections and coordinate imported horses from Brazil.
