

## 2016 BreyerFest Carnival!

Don't miss the year's largest Breyer fan festival **July 22-24, 2016**. Bring on the feathers and start practicing your samba for the 27th annual BreyerFest at the Kentucky Horse Park in Lexington, KY.

BreyerFest is the intersection of the real horse world and the model horse hobby - with spectacular equine entertainment, the largest model horse show in the country, the horses that inspired the models and thousands of families and fans for three fabulous days.

Buy tickets to attend the event by visiting <https://www.breyerhorses.com/breyerfest-home-2016>

The 2016 Celebration horse is Imperador das Aguas, a Mangalarga Marchador stallion imported from Brazil. There is a Breyer model of him made exclusively for the show! Imperador is owned by Claudia Bellandi of C&C Bellandi Horse Racing, Ocala FL. Claudia is taking 3 Marchadors to the event in July where people can meet the Marchador, have a photo op, and see them in the show.

The USMMA will have a display booth there. We could use additional volunteers to man the booth and answer questions. If you have an interest in volunteering to man the booth, please contact Lynn Kelley, [lynnkelley@me.com](mailto:lynnkelley@me.com).

If you can't come, but have a banner, business cards or other handout that you would like displayed or distributed, please send your materials **before July 4th**, to Rick Schatz  
2345 S Sage Lane  
Kaw City, OK 74641.

We hope to see you at BreyerFest!
