My knowledge of growing a business.

I think we need to attend more shows across the USA to get the Marchadors in front of an audience.

5. Do you value our affiliation with the ABCCMM? If yes, how would you like to strengthen this connection?

Yes I value our affiliation with ABCCMM and I want to work close with the new president and show them we value their support.

Optional:

1. Where do you see the USMMA in 5 years?

Much bigger as people like Claudia, Danial, and Linda promote these shows. My goals are to take it to the next level and work to pull the members together for smoother running USMMA. We either work together or maybe watch it fail.
