## Reports from our Members

From Rancho de los Cielos...

Their black stallion, Ninja de Sao Joaquim has been in training with Ray Arniss of Starbrite Riding Academy for several months. Ray was Dressage trainer of the year in 2003 in CA. Ninja has been training in classical dressage, to perform freestyle demonstrations at events in 2005. Ninja is also learning the Spanish walk. Jake and Theresa report that Ray has not lost Ninja's natural gait, if anything, he is smoother!

From Summerwind Marchadors:

In a cooperative effort to make more Marchador horses available to the American market, Summerwind and several farms in Brazil have agreed to a joint marketing program. Atriz de Itajoana, Vedete de Itajoana and Violeiro de Itajoana shipped in late August. Vedete is in foal to a syndicated Tabatinga stallion in Brazil. All three will be offered for sale.
