"One breed, one passion"

## Reports from our Members

From Tesouro MM Horses: Pat Snyder has weaned her buckskin picada filly and sent her off to play with other foals at her trainer's ranch.

From Haras Lucero: Bill Kambic reports that his 2004 colt is now a gelding. A rare item for sale and usually highly sought after.

From Summerwind: Lynn and John Kelley have yet to experience a birth at their ranch (coming soon) but do have a precocious 3 month old

baby who will be grey like his father. Already he is stunning.

From: MM Horse Farms  
Their long-awaited stallion Rubaia da Palmeira has arrived in Florida. A BIG, dark bay picada stallion, he is very gentle and well-trained. Some of us were lucky enough to ride him at the National Show in Brazil.

## Membership Drive for 2005

The membership package was sent in October to everyone who had expressed an interest in joining in 2004. There are 3 ways to join.

One way is to become a lifetime member (one time lifetime fee). The second is an annual full member fee and the last is an associate member fee which is cheaper. Associate members participate in all aspects of the USMMA, but do not have voting privileges. It will allow younger people and others who have an interest in the breed to participate at a reduced rate.

Please send your application and membership fees in soon so we can hold election of officers for 2005. To date, three people have indicated an interest in running for an office: Lois March, Tresa Smith and Pat Snyder.
