## USMMA News

### USMMA BUSINESS

The amended by-laws, 2007 Operating Rules and 2007 Membership Application are now posted on the website and the minutes from the last meeting.

We are very close to getting the cost estimate for training 2 U.S. vets to become certified inspectors in Brazil in March 2007.

The membership drive is underway for 2007. We have one new member already.

Pat Snyder reports that we have many horses from MT, OR and FL in the process of submitting DNA and being registered. In November, 6 horses were completed.

### ABCCMM/USMMA:

The ABCCMM provisional registration process agreed to during our last meeting appears to be working, although slowly. The first foal appeared on their database just yesterday.
