Reports from our Members

HARAS DO LUCERO:

Tamara Howard sent in this Marchador photo of Bill and Sandy Kambic, Tamara and her 7 year old daughter, Maria, celebrating New Year's the way it should be done - on horseback.

RANCHO DE LOS CIELOS

Jaina do Passo Fino's ABCCMM Registration is now in Theresa Longo's name. It's been a two year effort to get the owner to initiate the change. Many early horses imported had paperwork issues. Well done.

SUMMERWIND:

The last "B" foal was born December 23- a great Christmas gift. Bacara is out of Bossa Nova de Miami and Caboclo da Piedade. It's their first foal, and she is a winner.

NEW MEMBERS:

Congratulations and welcome to new members and new owners: Kristy Dryja, Katie Stillwell and Dominica Ybarra. Dominica is a pioneer, being the first to have reserved a foal due to be born later this year.

New Years Day Ride (l-r) - Bill on Andante, Sandy on Fe, Maria on American Boy and Tamara on Sama.

Bacara do Summerwind

USMMA News

JANUARY MEETING

The USMMA board met during January at Rancho de los Cielos. Thanks to Jacob and Theresa for being great hosts. The minutes of the meeting were distributed via email.

Following the meeting, the new updates to the USMMA by-laws, registry rules, membership applications etc. have been posted to our website. Look under ORGANIZATION - FORMS and INFO.

FOSH (Friends of Sound Horses)

Thanks to a forwarded email from Bill Kambic, there are now Mangalarga Marchador show rules in the FOSH guidelines. FOSH shows are in many states including CA, FL, MO and VA. Please contact your local FOSH show committee to add classes for later this year or next year. They also have many open versatility classes our horses can enter. Their website is www.fosh.info.

EXPOSURE

The Marchador will be the cover of Conquistador magazine in the fall and on the Stallion issue of CA Riding (Summerwind) in December. Pictures of horses in different disciplines would be appreciated. (digital and high resolution).

ADVERTISING and EVENT Schedule

MARCH EVENTS

4 Salons Demonstration at Summerwind
