USMMA MEETING and BUSINESS

Our next meeting will be in September. We continue to add members and horses during 2006.

EXPOSURE

A Mexican TV station may create a show about the Marchador breed using our material. If they do, they will send us a copy.

BULLETIN BOARD

Bill Kambic would like to know if anyone has used or knows more about USRider www.usrider.org. This is a group that provides AAA type road service and more when breakdowns occur during horse trailering. Please send him an email if you have information to pass along at wkambic@vic.com

Lynn Kelley would like to know if we want to print a 2007 BREEDER's Directory to be distributed at horse shows or by you. Conquistador has offered to do one similar to the Peruvian Paso brochure which is very well done. Every breeder would need to contribute to be listed and we would also look for other advertising sponsors to keep the costs down.
